WORK EXPERIENCE

Customer Support Specialist | Fibex Telecom
Mar 2026 – Jul 2026 | Tinaquillo, Venezuela | Remote

- Managed 25+ daily customer inquiries (500+ total interactions) via omni-channel support, delivering prompt, empathetic, and clear solutions for service and account issues.
- Sustained 65% customer retention rate by executing structured de-escalation strategies, active listening, and addressing user friction points effectively.
- Leveraged HubSpot Service Hub to log, track, and prioritize tickets, ensuring strict adherence to SLAs and response time targets.
- Guided non-technical users step-by-step from initial contact to issue closure, collecting user feedback to optimize support channels and team workflows.

Customer Support & Help Desk Technician | UNEFA
Jan 2025 – Dec 2025 | Tinaquillo, Venezuela

- Delivered L1 support to 20+ daily internal users (faculty, staff, and students), troubleshooting software, account access, and connectivity issues.
- Documented recurring user issues and authored internal Knowledge Base (KB) articles and self-serve FAQs, reducing repeat support requests and overall resolution times.
- Logged and classified support tickets, prioritizing critical incidents to maintain a high First Contact Resolution (FCR) rate.
- Translated technical system requirements into plain, user-friendly language for non-technical profiles.
